RE: Ana Bido v. Michael J. Astrue
07-Civ. 5944 (RMB)(HBP)

Dear Magistrate Pitman:

I am writing on behalf of the parties in the above case to ask permission to file reply memorandums to the respective motions.

On May 28, 2008, Your Honor endorsed a Scheduling Order directing the parties to file and serve their respective motions by June 26, 2008. Please note that plaintiff did file and serve her motion, however, the Clerk has not acknowledged the filing by plaintiff. I will make attempts to correct that omission today.

The parties would like to file and serve reply memorandums in this case and ask permission to file and serve such papers by July 23, 2008.

Your consideration of this request is appreciated.

Respectfully submitted,

Christopher J. Bowes, Esq.
